RE: Application of Total Environmental Solutions, Inc. for Rate Relief  
**Docket No. 2004-90-W/S,**  
**ELS File No. 557-10022**

Dear Charlie:

I am writing to request that the Commission postpone the oral arguments in the above-referenced matter that are currently scheduled for Tuesday, December 13, 2005 at 11:00 a.m. This postponement is necessary so that, at argument, the parties and the Commission will have the transcript from the October 24, 2005 Circuit Court hearing that preceded the remand of this case. Based upon conversations with the court reporter, a one-week postponement is all that should be necessary.

I have consulted with counsel for the Office of Regulatory Staff and the Foxwood Hills Property Owners Association, and both have authorized me to represent that they do not object to this postponement.

Thank you for your consideration in this matter. Please let me know if any additional matters must be attended to at this time.

With kind regards, I am

Yours truly,

John F. Beach
